

RYAN ARMOUR (-9)

Q. Good day for you. How would you describe that, because you saved so many shots out there with some clutch putts?

RYAN ARMOUR: Yeah, I mean, I definitely relied on short game because I did not hit it well. I'm going to have to go figure out what was going on. Towards the end there I started hitting the center of the face a little more and as you know, when winds are this high, you've got to hit it in the center or else, you know, it's going to get blown all over.

Q. What do you take from a day like today, because you really did salvage a position now to win this thing on Sunday?

RYAN ARMOUR: I thought I stayed in the fight and I think Doc -- is Doc at 10?

Q. Yep.

RYAN ARMOUR: Is anyone else at 10?

Q. Nope.

RYAN ARMOUR: So Doc's at 10, got a bunch of guys at 9, 8 and 7 and it will be a shootout tomorrow.

Q. And I guess you'll be distracted tonight watching the Buckeyes?

RYAN ARMOUR: Absolutely. I don't know if I can stay up, though. I'm tired.
